MAGNETIC PRODUCTS

1341 Mini Magnetic Tray 150mm (6")

1343 Rectangular Magnetic Tray With 2 Magnets

- ★ TAPARIA Magnetic Tray is made from high quality stainless steel to ensure high strength and to resist corrosion.
- ★ A strong and powerful permanent magnet provided in the base of the tray is covered with protective rubber coating which prevents damage to the surfaces also on which the tray is fixed or placed.
- ★ The Magnetic Tray can hold parts and tools firmly in all and any position including tilted, sloping or upside down position.
- ★ TAPARIA Magnetic Tray is ideal for use in Garages, Workshops, House hold works...etc. These bowls can firmly retain any small screws, nuts, tools, pins or any other iron/steel objects.
- ★ This Magnetic Tray provides ease in operation and is a convenient helper which ensures that no part small or big is lost, damaged or even spoilt due to dust, oil, grease etc. It enhances efficiency and reduces loss of time due to cleaning dropped parts or locating lost parts etc.

139201 Magnetic Charger

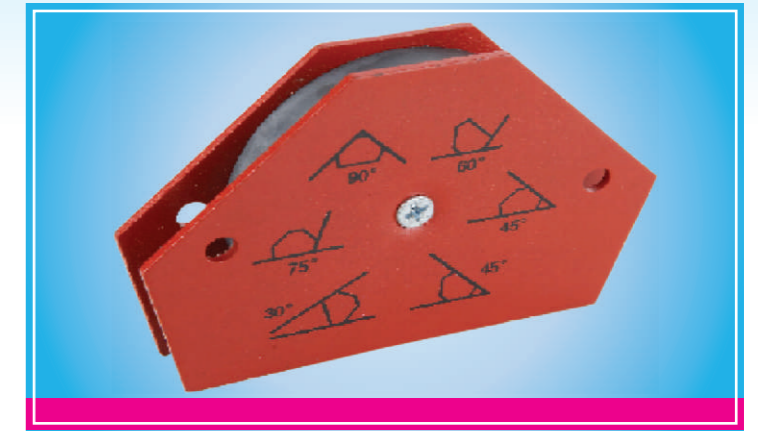

- ★ TAPARIA Magnetic Charger can be used for magnetizing many steel items including screwdriver blades, metal rods etc.
- ★ The same can be also be used for demagnetizing those objects.
- ★ The magnetic charger is encased in a red PVC body which not only protects the same but also looks aesthetically decent.

139202 Magnetic Wrist Collector

- ★ TAPARIA Magnetic Wrist collector is worn on the wrist like a watch and is a very convenient tool wherever applicable for holding all types of fastener (nuts, bolts, nails etc), small part, clips etc close at hand while working.
- ★ TAPARIA Magnetic Wrist collector provides ease in operation and a convenient helper which ensures that no part small or big is lost, damaged or even spoilt due to dust, oil, grease etc. It enhances efficiency and reduces loss of time due to cleaning dropped parts, locating lost parts etc.
- ★ The Adjustable wrist straps make it convenient to be worn on all sizes of wrist.
- ★ The magnet is encased in high quality stainless steel to ensure high strength and to resist corrosion.

139101 Magnetic Quick Clamp

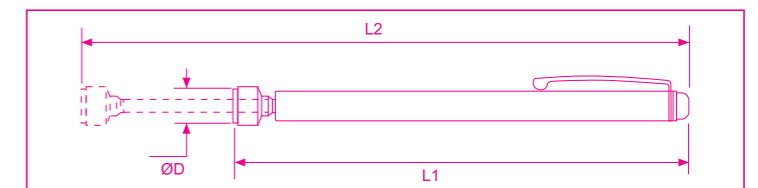

- ★ TAPARIA Magnetic Quick Clamp is suitable for holding iron and steel products at various angles of 30°, 45°, 60°, 75°, 90°...etc.
- ★ Strong and powerful permanent magnets can hold any iron/steel objects together for any further operation like welding etc.
- ★ Leaves both your hands free for welding, assembly, soldering, etc.
- ★ The TAPARIA Magnetic Quick Clamp is an innovative and extremely useful product which frees both hands for welding, soldering, assembly of angles, steel plates, pipes and other steel and iron products.

Telescopic Magnetic Bar

- ★ The powerful small size magnet can lift upto 1 Kg. Load
- ★ The telescopic design gives flexibility to use from 130 mm length in closed position to 620 mm length in open position
- ★ Can be used conveniently in confined spaces because of the slim design
- ★ Provided with a clip for keeping in pocket
