

CMM STYLI & ACCESSORIES

CMM Styli & Accessories

Precision for the highest standards is the only Aim of Nüssler Precision AG of Switzerland founded in 1988. The company concentrates on the production, development and worldwide distribution of styli and accessories for dimensional measurement technology. The sale of Nüssler products is supported by a global distribution network in the major European, American and Asian countries.

We Baker Gauges India Pvt. Ltd. are proud to take complete responsibility of the sales of Nüssler's wide range of styli and accessories for the Indian market.

Successful measurement depends largely on the stylus and its ability to reach the measuring point.

THE STYLI AND ACCESSORIES ARE AVAILABLE FOR

- Coordinate Measuring Machines (CMMs)
- Measuring Arms
- Thread Measuring Equipment
- 2D Height gauges
- Special Measuring Devices
- CNC Machine Tools
