

# Index

## 1. Dial Gauges

1 - 14

- a. Plunger Type 2
- b. Digital Plunger Type 8
- c. Lever Type 10
- d. Back Plunger Type 12
- e. Dial Gauge - Accessories 13

## 2. Dial Instruments

15 - 30

- a. Dial Depth Gauge & Universal Test Set 16
- b. Dial Thickness Gauge 17
- c. Dial Bore Gauge 18
- d. Internal Groove Caliper 22
- e. Special Instruments 23
  - Tyre Tread Depth Gauge
  - Crankshaft Web Deflection Gauge
  - Ball Diameter Checking Gauge
  - Outside Diameter Checking Gauge
  - Rubber Hardness Tester
  - Dial Snap Gauge
- f. Universal Gauge 26
- g. Harpenden Skinfold Caliper 27  
(human body fat measurement)
- h. Dial Magnetic Stand 28
- i. Dial Comparator Stand 29

## 3. Bevel Protractor & Precision Level

31 - 32

- a. Universal Bevel Protractor 32
- b. Precision Level 32

## 4. Calipers

33 - 38

- a. Vernier Caliper 34
- b. Dial Caliper 35
- c. Digital Caliper 35
- d. Digital Depth Caliper 38

## 5. Surface Roughness Tester

39 - 40

- a. Surface Roughness Tester 40

## 6. Height Gauges

41 - 44

- a. Vernier Height Gauge 42
- b. Digital Height Gauge 43

## 7. Micrometers

45 - 64

- a. External Micrometer 47
- b. Digital External Micrometer 50
- c. Special External Micrometer 51
- d. Setting Standard for External Micrometer 54
- e. Depth Micrometer 54
- f. Tubular Internal Micrometer 55
- g. Micrometer Stand 55
- h. Micrometer Heads 56
- i. Internal Micrometer 57
- j. Large Internal Micrometer 58
- k. Digital Internal Micrometer 59
- l. Microgauge Internal Micrometer 62
- m. Special Internal Micrometer 63

## 8. Contact Type Plug Gauges

65 - 70

- a. Measuring Heads 67
- b. Holders 69

## 9. Plain Gauges & Masters

71 - 78

- a. Master Setting Ring 72
- b. Large Diameter Master Setting Ring 73
- c. Carbide Master Setting Ring 73
- d. Master Setting Disc 74
- e. Plain Plug Gauges 75
- f. Plain Ring Gauges 76
- g. Gauge Block Set 77
- h. Measuring Pins 77

## 10. Thread Gauges

79 - 88

- a. Types of Thread Gauge Profiles 80
- b. Standard Set - Plugs & Rings 81
- c. Miniature Gauges 81
- d. Multi Start Gauges 81
- e. Hole Location Gauges 81
- f. Customised Gauges 81
- g. Metric Gauges 82
- h. Unified Gauges 82
- i. 'G' Pipe Gauges 83
- j. Acme & Stub Acme, Trapezoidal 83
- k. Taper Gauges 84
- l. Adjustable Thread Ring Gauges and Set Plugs 86
- m. Tungsten Carbide Thread Gauges 86
- n. Analogue Thread Depth Gauges 87
- o. Gauge Handles 87

## 11. Auto/Semi-Auto Thread Verification Solutions

89 - 94

- a. Auto/Semi-Auto Thread Verification Solutions 90
- b. Hand-Held Thread Verification Units 91
- c. Application Oriented Thread Verification Machines 92
- d. Thread Verification Units for System Integration 93

## 12. Spline Gauges & Master Gears

95 - 98

- a. Spline Plug Gauge 96
- b. Spline Ring Gauge 96
- c. Master Gears 96
- d. Variable Spline Indicator 97
- e. Lock Up Concentricity Ring Gauge 97
- f. Taper Master Plug 97

## 13. Air & Air-Electronic Gauges

99 - 114

- a. Universal Air Gauge Unit 101
- b. MOD - 3 Air Gauge Unit 101
- c. Air - Electronic Converter Module (AECM) 102
- d. Microprocessor Based Digital Gauge (AEP) 102
- e. Microprocessor Based Column Gauge (2045NAEP) 103
- f. SPC 3000 P4/P8 104
- g. SPC 3000PTA 105
- h. Air Plug Gauge 106
- i. Carbide Air Plug Gauge 108
- j. Setting Rings for Air Plug Gauge 109
- k. Air Ring Gauge 110
- l. Setting Plugs for Air Ring Gauge 111
- m. Carbide Air Ring Gauge 112
- n. Air Caliper 113
- o. Setting Discs for Air Caliper 114

## 14. Electronic Gauges

115 - 130

- a. Twin Channel Electronic Gauge 118
- b. Microprocessor Based Twin Channel 119
- c. SPC 3000 E4/E8 120
- d. Industry 4.0 122
- e. Electronic Probe 123
- f. Special Electronic Gauge 125
- g. Electronic Gauge Interface 126
- h. Wireless Data Acquisition 129
- i. Data Cables 130

## 15. Customized Gauging Solutions

131 - 158

- a. Automotive 135
  - Engine 135
  - Transmission 148
  - Shim, Spacer Selection 151
- b. Fuel, Oil & Water Pumps 153
- c. Medical (Pharmaceutical) 154
- d. High Speed Dimensional Grading and Sorting 155
- e. Other Engineering Applications 156

# Index

## 16. Coordinate Measuring Machines 159 - 168

- a. Extol Shop Floor CNC CMM 160
- b. Axiom too Manual or CNC CMM 161
- c. Axiom too HS High Specification CNC CMM 162
- d. Horizon 800 CNC CMM 163
- e. Horizon 1000 CNC CMM 164
- f. Azimuth CNC CMM 165
- g. Aberlink 3D Measurement Software 166
- h. Probe Options 167
- i. CMM Camera 168

## 17. CMM Styli & Accessories 169 - 170

- a. CMM Styli & Accessories 170

## 18. Profile Projectors & Vision Systems 171 - 180

- a. R14 & R400 Profile Projector 172
- b. R600 & SM300 Profile Projector 173
- c. SM350 & SM20 Profile Projector 174
- d. Fusion Touch Readout 175
- e. Venture Vision Systems 176
- f. Venture Plus Vision Systems 177
- g. Fusion Software 178
- h. Technical Specifications - Vision System 179

## 19. Video Measuring Machines 181 - 184

- a. Video & Touch 182
- b. Video Measurement 183
- c. Multi Sensor Measurement 183
- d. AFDM Multi Sensor Software 183

## 20. Data Acquisition & SPC Software 185 - 188

- a. Baker Q Soft 186

## 21. Calibration Services 189 - 192

- a. Scope - BMI Division 191
- b. Scope - HIP Division 192

## 22. After Sales 193 - 194

- a. Repair 194
- b. Annual Maintenance Contract 194
- c. Training 194

## 23. World Class Infrastructure 195 - 198

- a. World Class Infrastructure 195
