

Air Tools Catalogue

3/4" Impact Wrench

Model - NI 7715

Available in standard anvil

Rocking dog mechanism, can keep high torque output

High torque applications

Lightweight parts but designed for heavy duty applications

Features

- Heavy Industrial design
- Durable
- Widely used for low torque application
- Rocking dog mechanism
- Powerful Torque

Specifications

Sq Drive (inch) : 3/4"

Free Speed (rpm) : 4800

Torque(N.m) : 700

Anvil Length (inch) : standard

Weight(Kg) : 4

Air Pressure (Kg/cm²) : 8-10

Avg. Air Consumption (L/min) : 7.5

Air Inlet (NPT) : 1/2"
